Our Commitment to You

The RMBI has been caring for older Freemasons and their dependants for over 160 years. We operate 17 care homes across England and Wales offering a range of high quality care. Many of our Homes are registered for both residential and nursing care and a number offer specialist dementia care.

RMBI care homes are available to people over 65 years.

The RMBI is committed to ensuring that the individual's right to dignity, respect, choice and control over their own lives is upheld and maintained, and strives to achieve the following objectives:

- Every resident will be treated in a manner that respects his/her personal privacy and dignity.
- Every resident will have an individualised care plan which comprises a full assessment of physical, physiological, social and emotional needs. An individual care plan will be developed which is reviewed and amended to suit changing needs and preferences. Residents will be consulted on the formulation and implementation of their care plan.
- Every resident will be allocated a key worker/named staff member with whom they can identify and who will be responsible for ensuring their needs and preferences are met. Residents will have choice in the gender of those who provide their personal care, as appropriate.

- Every resident will be offered a range of social and leisure activities which appeal to them, offer stimulation and motivation, and access to the internal and external environment. Activities will be planned to be culturally and seasonally sensitive.
- Every resident is assured that any information pertaining to themselves or their care will be treated with the utmost confidence.
- Residents are assured that the staff of the RMBI have been carefully selected and trained to perform their duties to the highest possible standard and are supervised in the practice of their duties.
- Residents are assured that their security and safety is of paramount importance to the staff of the RMBI. Residents' financial affairs are treated with probity and discretion.
- Residents are encouraged to comment on any, or all, of the services provided by the RMBI and management staff will actively respond to their input. Regular residents and relatives' meetings are held at the Home providing an opportunity for open discussion.
- Residents who wish to complain in the event of service failure are assured of a full and prompt investigation of their complaint by the management.
- Every resident will be actively assisted to access their rights as a citizen and to play the part in society as they wish. Residents will also be supported to access their rights from primary care services as appropriate.

Services and Facilities

Purpose built in 1973 and refurbished in 2000, Albert Edward Prince of Wales Court stands in extensive, well-kept grounds situated one mile from Porthcawl town centre and the Promenade.

The Home can accommodate 66 people made up of 40 residential, 16 nursing and 10 dementia clients in single bed-sitting rooms, all with en-suite toilet and hand

basins. Every bedroom overlooks the grounds or a beautiful inner garden courtyard.

The Home is divided into six house groups, each with its own team of care staff. Each house group has its own comfortable dining room and communal lounge.

There are bath/shower facilities especially adapted for safe usage so residents maintain their independence. Chair hoists and sling hoists are also available.

Residents are provided with a key to their room and are free to come and go from their accommodation as they wish.

Residents may invite family and friends as they wish and entertain them in the privacy of their own accommodation. Resident's guests are welcome to take meals at the Home for a nominal fee. In the event of a resident receiving a large number of visitors at one time (e.g. on a special birthday), the resident and their visitors will be able to make use of one of the lounges in the Home, by prior arrangement with the Home Manager.

Bedding, towels and the personal clothing of residents, who wish, are washed, dried, aired and ironed in the Home's own large laundry, by trained domestic staff. A dry cleaning service is also available and organised by the office staff.

Albert Edward Prince of Wales Court offers a wide range of recreational facilities including a fully stocked library. Social and other activities are an important aspect of the care at the Home. Residents are encouraged to remain active for as long as they are able. A full programme of activities is organised by the Activities Co-ordinator to include concerts, quizzes, shopping trips and visits to places of interest.

The Home has its own hairdressing salon where residents can enjoy haircuts and pampering from a professional hairdresser.

All residents are encouraged to register with their own GP. The Home has close links with the local surgery and surgeries are held at the Home. The Home can also arrange visits from chiropodists, physiotherapists and other health care professionals.

Regular religious worship is held in the Home; however, residents are free to attend a church of their choice in the local community.

Ireland House

The Dementia Support Unit, Ireland House, was opened in August 2010 to offer care for people with severe memory loss or dementia. There are ten single rooms with ensuite wet rooms, two lounges, dining room and kitchen.

The Dementia Support Unit is small and friendly with the emphasis on individual care. Residents are able to join in the activities in the main Home if they wish. Regular trips in the minibus and car are also offered.

Residents are able to take holidays if they wish. It is possible to take a break at another RMBI Home if accommodation is available, at no extra cost. Alternatively, residents are free to make their own holiday arrangements.

Fees for the Home

The current weekly fee at Albert Edward Prince of Wales Court is as follows:

- Residential care from £518.00 per week
- Nursing care £802.97 per week
- Dementia Care £802.97 per week

All applicants are assessed on an individual basis and advised of their weekly fee in writing before moving into the Home.

Residential Care Fee Bands

Band 1	£518.00
Band 2	£599.97
Band 3	£644.00

For those requiring residential care, the fee structure is set up in three fee bands. This enables us to distinguish between the different levels of care required at each fee band to ensure that the appropriate fee is charged according to the resident's care needs.

The weekly fee covers provision of accommodation, meals and care; fees may change as care needs change. If there is a requirement to change fee rates, appropriate discussions will be commenced and due notice will be given to those involved in the payment of individual resident's fees.

The fee structure and charging procedures of the RMBI are based on Central Government Fiscal Policy and the Community Care Act whilst giving consideration to the Charity's remit to assist Masonically eligible people of limited financial means and to use donors' money wisely. It is only fair that those who can afford to pay a realistic fee do so.

Fees do not include additional services such as physiotherapy, chiropody, newspapers or hairdressing.
