Our Commitment to You

The RMBI has been caring for older Freemasons and their dependants for over 160 years. We operate 17 care homes across England and Wales offering a range of high quality care. Many of our Homes are registered for both residential and nursing care and a number offer specialist dementia care.

RMBI care homes are available to people over 65 years.

The RMBI is committed to ensuring that the individual's right to dignity, respect, choice and control over their own lives is upheld and maintained, and strives to achieve the following objectives:

- Every resident will be treated in a manner that respects his/her personal privacy and dignity.
- Every resident will have an individualised care plan which comprises a full assessment of physical, physiological, social and emotional needs. An individual care plan will be developed which is reviewed and amended to suit changing needs and preferences. Residents will be consulted on the formulation and implementation of their care plan.
- Every resident will be allocated a key worker/named staff member with whom they can identify and who will be responsible for ensuring their needs and preferences are met. Residents will have choice in the gender of those who provide their personal care, as appropriate.

- Every resident will be offered a range of social and leisure activities which appeal to them, offer stimulation and motivation, and access to the internal and external environment. Activities will be planned to be culturally and seasonally sensitive.
- Every resident is assured that any information pertaining to themselves or their care will be treated with the utmost confidence.
- Residents are assured that the staff of the RMBI have been carefully selected and trained to perform their duties to the highest possible standard and are supervised in the practice of their duties.
- Residents are assured that their security and safety is of paramount importance to the staff of the RMBI. Residents' financial affairs are treated with probity and discretion.
- Residents are encouraged to comment on any, or all, of the services provided by the RMBI and management staff will actively respond to their input. Regular residents and relatives' meetings are held at the Home providing an opportunity for open discussion.
- Residents who wish to complain in the event of service failure are assured of a full and prompt investigation of their complaint by the management.
- Every resident will be actively assisted to access their rights as a citizen and to play the part in society as they wish. Residents will also be supported to access their rights from primary care services as appropriate.

Services and Facilities

The Tithebarn is an attractive and tastefully decorated refurbished family home. It is set in beautifully landscaped grounds that are laid out for the enjoyment and relaxation of residents with an inhabited duck pond.

It is situated a short distance from Crosby Village, which has a full range of amenities, and is approximately eight

miles from Liverpool and 15 miles from Southport.

The Tithebarn is able to accommodate 42 residents; 32 residential and 10 nursing places. There are 38 centrally heated single en-suite rooms and two double rooms that can accommodate couples. All rooms are wheelchair accessible.

The accommodation is situated on two floors, the upper floor being accessible via a lift. All rooms are fully furnished, although residents are encouraged to bring in small items of furniture and personal possessions to make their room feel like home.

Residents are provided with a key to their room and are free to come and go from their accommodation as they wish. Residents may invite family and friends as they wish and entertain them in the privacy of their own accommodation.

Resident's guests are welcome to take meals at the Home for a nominal fee. In the event of a resident receiving a large number of visitors at one time (e.g. on a special birthday), the resident and their visitors will be able to make use of one of the lounges in the Home, by prior arrangement with the Home Manager.

There are four assisted baths and three shower rooms within the Home. Residents are assisted to bathe in respect of their needs and wishes.

There are four communal lounges in the home three of which have televisions; two of these are fitted with a loop system to aid the hard of hearing. There are also two dining rooms and three small kitchenette areas for residents use.

Bedding, towels and the personal clothing of residents, who wish, are washed, dried, aired and ironed in the Home's own large laundry, by trained domestic staff. A dry

cleaning service is also available and organised by the office staff.

The Tithebarn offers a wide range of recreational facilities including a fully stocked library. Social and other activities are an important aspect of the care at the Home. Residents are encouraged to remain active for as long as they are able. A full programme of activities is organised by the Activities Co-ordinator to include concerts, quizzes, shopping trips and visits to places of interest.

The Home has its own hairdressing salon where residents can enjoy haircuts and pampering from a professional hairdresser.

All residents are encouraged to register with a local GP. The Home has close links with local surgeries and GPs visit on request. The Home can also arrange visits from chiropodists, physiotherapists and other health care professionals.

Regular religious worship is held in the Home; however, residents are free to attend a church of their choice in the local community.

Residents are able to take holidays if they wish. It is possible to take a break at another RMBI Home if accommodation is available, at no extra cost. Alternatively, residents are free to make their own holiday arrangements.

Fees for the Home

The current weekly rate at The Tithebarn is as follows:

- Residential care from £507.01 per week
- Nursing care £787.99 per week

All applicants are assessed on an individual basis and advised of their weekly fee in writing before moving into the Home.

Residential Care Fee Bands

Band 1	£507.01
Band 2	£532.00
Band 3	£543.97

For those requiring residential care, the fee structure is set up in three fee bands. This enables us to distinguish between the different levels of care required at each fee band to ensure that the appropriate discussions will be

commenced and due notice will be given to those involved in the payment of individual resident's fees.

The weekly fee covers provision of accommodation, meals and care; this may change as care needs change.

The fee structure and charging procedures of the RMBI are based on Central Government Fiscal Policy and the Community Care Act whilst giving consideration to the Charity's remit to assist Masonically eligible people of limited financial means and to use donors' money wisely. It is only fair that those who can afford to pay a realistic fee do so.

Fees do not include additional services such as physiotherapy, chiropody, newspapers or hairdressing.

Health & Safety

The Home is covered by an emergency call system. The call points are found in all residents' bed-sitting rooms, toilets,

bathrooms and lounges. You will never be far from one and they are well marked.

Policies and procedures are in place in respect of the needs of both residents and staff. Fire drills are held (at varied times) for both residents and staff and modern fire detection/warning equipment is in place. The staff regularly update their training to deal with such an emergency. Any electrical items brought into the Home are subject to safety checks at the time residents move into the Home and periodically thereafter.

Health and Safety committee meetings with representatives from all staff departments and residents are held regularly. Copies of the Health & Safety Policy are available on request.

Residents' Views of the Home

All residents are encouraged to air their views on the running of the Home. Regular residents' meetings are held and any complaints promptly dealt with. Our aim is to make The Tithebarn a pleasant place to live. Below are comments provided by residents of the Home.

“A superb home – staff are attentive and friendly at all times. Full marks!!”

“Since arriving here four years ago, I have been well looked after and I have only praise for the management and staff for their efforts in taking care of me, keeping me safe, happy and comfortable.”

“I have been in the home only five weeks during which time I have received excellent service from the Home Manager supported by a hard working, caring staff, dedicated to looking after us in the home, me being one of the youngest at 86 – the oldest is 100!”

An annual Quality Survey is also conducted at the Home for completion by residents and relatives. Results from this Survey help the RMBI to improve and develop its services to residents.

Terms and Conditions

If you decide to move into The Tithebarn, you will be issued with a Resident’s Agreement and a statement of the terms and conditions of your residence with the RMBI.

It is our hope that residents moving into RMBI Homes choose to live in our Homes for the rest of their lives. However, should a resident choose to leave a Home permanently, four weeks’ notice must be given.
