

A care home can combine freedom from the stresses of keeping up a home, with the security of knowing that your needs will be met. For some people it not only provides better care, but brings a new lease of life – free from the worries of trying to cope alone.

Choosing a care home is like choosing any other place to live, that is why the RMBI believe in treating everyone as an individual to find the right home for you.

We understand that it can be a stressful time for family and relatives when their loved one moves into a care home, a whole new experience for everyone. We hope this leaflet will give you some useful information that will help you along the way.

“It’s just fantastic, I love it. It’s a wonderful place and we are well looked after.”

General facilities and services available

The whole premise of the RMBI is to create a home rather than an 'institutional style' environment, both inside and out. Barford Court is home for up to 40 residents providing both residential and nursing care in single rooms with washroom facilities, some with views of the sea.

It is divided into four 'family style' house group units, each with about 10 residents. Each house group has its own lounge, dining room and kitchen. Residents may furnish their own rooms with small items of furniture if they wish, provided that the furniture meets the required safety standards.

If residents have special dietary requirements, these can also be met. Residents' family and friends are also encouraged to dine – at a small charge.

Funding arrangements

Residents who choose an RMBI Home have the security of knowing that they have a home for life regardless of any changes to their financial circumstances, as long as we can cater for their particular care needs.

Our services are available to people with both private and public funding. Please read the information pack for further details.
